

# Laundry to Landscape

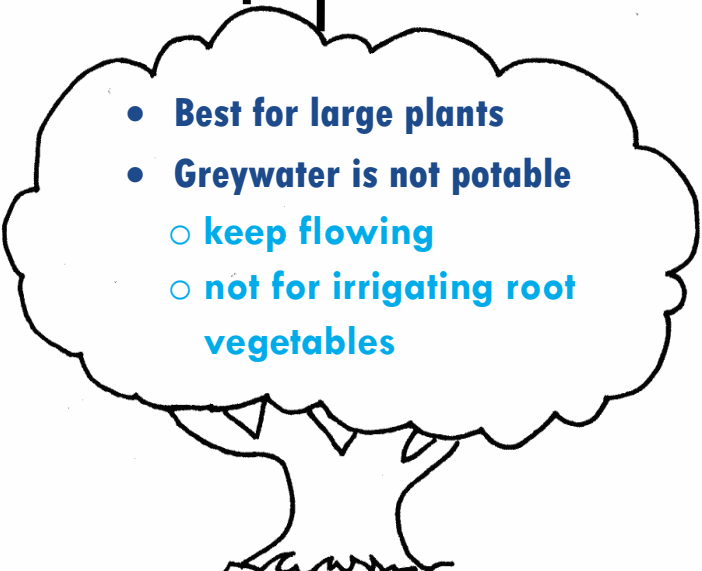

a system that utilizes washing machine greywater to water outdoor landscaping

## Benefits

- Saves water, time, energy, and money
- No permit required for gravity-driven systems
- Self-installation: \$150-250
- Hired installer: \$700-2,500

- 
- Best for large plants
  - Greywater is not potable
    - keep flowing
    - not for irrigating root vegetables
