

NoBake Granola Bites

Yield: Makes about 30 bites

Ingredients

- 2 cups quick oats
- 1 cup crispy rice cereal (like Rice Krispies)
- 1 cup creamy peanut butter
- 1 cup ground flaxseed
- 1 cup mini chocolate chips
- 2/3 cup honey or agave nectar
- 2 teaspoons pure vanilla extract
- 2 tablespoons coconut oil

Buy the ingredients in bulk to make this a packaging-free treat!

Directions

1. Combine all the ingredients together in a large bowl, mixing gently so the crispy rice cereal doesn't get crushed. Mix until well combined. 2. Using a cookie scoop (or roll small amounts in your hands), drop rounded tablespoonful sized portions onto a parchment or wax paper lined cooking sheet. I used my cookie scoop and then rolled the scooped portion out between my palms. 3. Refrigerate for 12 hours. At this point you can serve them or combine the chilled granola bites in a large Tupperware type container to freeze or refrigerate. They will stay fresh in the refrigerator for up to a week or for a few months in the freezer.
