SHARPS DISPOSAL

California law prohibits the disposal of sharps waste—including needles, lancets, and syringes—in the trash or recycling containers.

Sharps waste must be delivered in a puncture- and shatter-proof container with a tight lid (detergent bottle or coffee can, etc.).

To find a location for sharps disposal in the unincorporated areas of San Diego County, go to www.sdhhw.org and click on "Sharps Waste Disposal" or visit www.wastefreesd.org.

* Sharps and needle disposal boxes are also available at the sites listed in this fact sheet indicated by an asterisk (*).

DESHACERSE DE AGUJAS

La Ley de California prohíbe deshacerse de agujas en la basura— incluyendo inyecciones, lancetas y agujas de todo tipo—en basureros o receptáculos de reciclado.

Todo los objetos filosos, como agujas, deben deshacerse en receptáculos libre de agujeros e irrompibles, con una tapadera hermética (Botellas de detergentes, latas de café, etc.).

Para encontrar un lugar de deshecho para estos receptáculos en el área no incorporada del Condado de San Diego, visite: www.sdhw.org y presione el botón de "Deshecho de objetos filosos." (Sharp Waste Disposal por sus siglas en Inglés) o visite www.wastefreesd.org.

* Los lugares donde se aceptan los objetos filosos (como las agujas o jeringas) también se indican por un asterisco en esta guía (*).
