

Christmas Tree Recycling

Central San Diego Hauling Instructions by
City

Community	Collection Dates	Instructions	Waste Hauler
Coronado	Residents can place cut trees in green bin at anytime before regular collection day, Dec 26 - Jan 9, or call EDCO to setup bulky item pickup for scheduled pick up day.	Please place botanical decorations inside your green waste cart on your collection day and follow these guidelines when setting out your Christmas tree for curbside collection on your regular collection day, December 26, 2020 - January 9, 2021: <ul style="list-style-type: none">• Remove all lights, ornaments, tinsel and the tree stand• Cut tree in 4ft lengths and trim off branches• Place trimmed tree inside your green waste cart with the lid closed	EDCO

<p>City of San Diego</p>	<p>Curbside collection (For residents with yard waste collection only): Manual container customers using their own bins should place trees on the curb for collection on your regular greenery recycling pickup day. Trees over 4ft in length should be cut in half.</p> <p>Automated container customers using the large, green 96-gallon bin provided by the city should cut their trees to fit into the automated container for pickup on collection day.</p>	<p>Both green and flocked trees (fake snow) are accepted. Trees over 4ft in length should be cut in half. For Greenery, curbside, and drop-off sites, all tree stands, bags, netting, lights, ornaments, tinsel, and other tree decorations must be removed. No artificial trees. Please do not illegally dump any other items at the drop-off locations.</p>	<p>Environmental Service Department</p>
